MEMORANDUM FOR: Deputy Director for Support

SUBJECT : CIA Support to Defense Intelligence School

REFERENCE : Memo dtd 8 Jan 66, to DCI frm DDS, same subj

1. Pursuant to paragraph 3 of the reference, [] OTR's faculty adviser to the DIS, attempted to bring the Commandant's report to Secretary Vance's attention but without success. He was informed that distribution of the report, published in February 1966, was limited to the Director of DIA, Lt. Gen. Carroll and to the internal components of the DIS. General Carroll uses the Commandant's report along with other submissions from DIA components to prepare a report on DIA activities to the Joint Chiefs of Staff. It is likely that Secretary Vance will read General Carroll's report but there is no way of determining how much coverage he will give to DIS or to CIA's contribution to the DIS.

2. We are forwarding a copy of the Commandant's report for your review. Should you feel that the DCI still desires the information contained in the report about CIA's participation in the DIS be conveyed to Secretary Vance, perhaps it can be submitted through channels open to the Office of the DDS or the Office of the DCI but not open to the Office of Training.
